

January 11, 2012

Dear Parents and Guardians,

I hope that the "New Year" has blessed you with good days. Currently, we are planning for our new school year. As you know the future of our school depends on the number of children that we retain each year. Knowing these numbers in advance is imperative as we set tuition, assign teachers, determine the number of classrooms, develop schedules, order supplies and most importantly prepare our budget.

On the reverse side of this letter is the current school policy that we will follow in implementing class sizes for the 2012-2013 school year. Hopefully, this will give you an indication of how *important* "numbers" are in our planning.

While we realize that many factors go into your decision for a catholic education for your children, we honestly can't proceed with our plans until we know your intentions. Therefore, I am asking for your assistance with our planning for the 2012-2013 school year. Kindly complete the "intent to return" portion on the bottom of this page and **return it to my attention by Friday, January 20, 2012.**

Trusting that Our Lord will help us as we pursue this endeavor together, I am confident that all of our families will still want the quality education that St. Bonaventure Parish School offers.

Thank you in advance for your immediate attention to this matter. As always your support and cooperation are appreciated. I look forward to our continued collaboration.

God Bless You.

Jacqueline B. Easley
