

St. Bonaventure Athletic Association

To: All 5th through 8th Grade Boys

From: St. Bonaventure Athletic Association

Subject: **Spring Boys Volleyball Interest**

Response requested by Friday, January 13th

St. Bonaventure resurrected the Boys Volleyball team at the varsity level last spring and we had a fun and successful season. This year we would like to again field a Varsity team and hopefully add a JV team. Practices would begin at some point in February (depending on gym availability) and games would run from the end of March through mid May. We would also like to throw in some optional open gym as time permits.

We need to know your level of interest in playing volleyball this spring before we commit to entering Bobcat teams in the league. Please talk this over with your parents before returning this form as the season may conflict with your other spring activities (baseball, AAU basketball, soccer, etc.).

If you are interested in playing volleyball this spring please return this form to the school office marked "Volleyball Interest" c/o Julia Murray Room 201. Additional registration details will follow depending on the level of interest.

Thank you.

Yes, I am Interested in Playing Boys Spring Volleyball:
