

# PTG SCHOOL SPIRIT CAMPAIGN

## HOW DO YOU DEFINE SCHOOL SPIRIT?

Well, the PTG defines school spirit as having pride in our school and our students. It's a feeling of camaraderie and a sense of being a part of something special. You can't quite put your finger on it, but you know it when you see it and feel it.

At the beginning of the year, the PTG conveyed that we want to have fun and create great memories throughout the year. Well, let's get started. As a way to foster school spirit as well as put a little advertising in place for the school, the PTG will be selling **SPIRIT BUTTONS** starting on Tuesday. And, the students can wear their spirit buttons to school next week! The buttons are only \$1.00 and we offer three different designs:

Show your school pride. Join the PTG Spirit Campaign initiative and purchase a button or two or three! After spirit week, you can wear them on your coats to show your Bobcat Pride. They are also a great ornament to wear to athletic events.

**Buttons will be sold after morning announcements beginning on Tuesday, October 25. Buttons will also be sold at the Autumn Bowl.**

*All proceeds go directly to the PTG and will be used to support field trips and special events for our students.*

## GO BOBCATS!
