

October 26, 2011

Parents/Guardians:

We will be testing our new “Emergency Broadcast Messaging System” this Friday, October 28, 2011, between 1:00 and 1:30 pm. You will be receiving a pre-recorded message stating that this is only a test. If you receive this message on a phone that you DO NOT wish to continue to receive Emergency Messages on, please contact the school at 412-486-2606 Ext. 221. Likewise, if you DO NOT receive a message on a phone that you DO wish to receive Messages on, please contact the same number.

This Messaging System is St. Bonaventure Parish School’s most effective way of getting alerts to all parents in a timely manner.

In the upcoming weeks, we will be adding a feature where you can opt-in to a text messaging option. You will also be given the ability to add/change/delete phone numbers and email addresses.

Thank you!

St. Bonaventure Parish School Administration
