FLOWER POWER FUNDRAISER

The PTG would like to thank everyone who purchased & sold flower bulbs. We raised \$860.50 to be used toward student field trips & assemblies.

Everyone should have received the bulbs by now. If you are not happy with the quality or are missing items, please contact Flower Power at 888-833-1486 for immediate attention.

All of the bulbs delivered have a spring or early summer bloom time and should be planted before the first hard frost (as soon as possible) to give them time to acclimate. Hope you enjoy the blooms!
