

Last Call for St. Bonaventure Basketball 2011-2012

(Please read entire notice, even if you have already registered your child for basketball)

If your son or daughter wishes to participate in basketball this year and you have NOT registered them to play yet, then you still have a little time. Please contact me via e-mail no later than Wednesday, October 12th and I will send you registration information.

If you already have registered your son/daughter to play, please send me an e-mail confirming the same, including your son/daughter's name and grade, so that I can make sure we have them on the list.

Stay tuned for future notices regarding Diocesan team tryouts, etc.

Feel free to contact me with questions. Thanks.
