

HOLIDAY LUNCHEON

Dear St. Bonaventure School Families,

On December 10, we are hosting the Ladies Holiday Luncheon. As the chair of this fundraiser, I can share with you that our goal is to earn \$10,000. As you can imagine, this event is a significant undertaking. And, we need your help. The event includes a bake sale, Chinese auction, craft/vendor fair as well as numerous raffles. How can you help? First, please review the **CHINESE AUCTION** list below. We plan to make numerous baskets, and we are asking families to donate an item depicting a basket theme OR give a monetary donation of \$5.00 so that we can purchase basket items. We have predetermined the basket themes and have divided the list by classroom. We hope you are able to help us out and contribute.

In regard to the **CRAFT FAIR**, we need to secure fabulous items to sell. So, if you or a friend have a hobby making wreaths, ceramics, floral arrangements, baby clothes, holiday decorations, aprons, etc. we would appreciate a donation. If you have a business and would like to advertise where the item came from, we can offer advertising solutions.

Finally, the **BAKE SALE**. If you are baking for the holidays, we would appreciate a donation. Every little bit helps, so no matter how you can contribute we appreciate your participation.

Thank you in advance for your support.
