

Hello, St. Bonaventure Parents!!

I'm sending this note as a reminder that Market Day pick up is Saturday, November 5, 2011. Any and all assistance is greatly appreciated! We really need your help!! Because of the dessert fund-raiser, we have 835 items to unload and categorize. *If you are not a regular at Market Day pick up, please consider helping out since we have such a large order!*

The truck arrives between 7:30 / 7:45 AM. Those of us that are there work to unload the truck, unpack the boxes, categorize the items, snack a little, talk a little, laugh a lot and spend time with other families! There will be plenty of coffee, kool aid and snacks!! Customer pick up is between 9:00 - 10:00 AM. The location is Newmeyer Hall.

We had a bonus pie/dessert fund-raiser going on this past month. Our goal was to sell 500 pies in order to get 45% profit on them. Well, we didn't quite reach our goal but did sell 171 desserts which will give us 30% profit on them. Many thanks to those who participated!!!

Also, this Saturday is Innisbrook Gift Wrap Pick up at Newmeyer Hall as well from 9 AM to 10:30AM. Newmeyer Hall is going to be a busy place on Saturday!

As always, I'm looking for a couple of fathers to join the Market Day team as we need help unloading the truck and checking/packing orders before our customers leave the building!

Thank you for all that you do to help St. Bonaventure Parish School!!!
