

CALLING

7TH & 8TH Grade Students

The Holiday Luncheon will be held on Saturday. We would appreciate some assistance from our seventh and eighth grade students to help set up for the event. If you have a few minutes to spare *after school on Friday*, please join us. If we all work together, we can get the task done quickly.

We also need a few extra student volunteers to *work at the actual luncheon on Saturday*. Student workers **DO NOT** have to purchase a ticket to attend. A complimentary lunch of pizza and drinks will be provided. To sign up, please email Eileen Mallin at eileen.mallin@yahoo.com or call 412-519-5726.

The Holiday Luncheon committee thanks you in advance.
