Dear 8th Grade Parents,

Every year as part of 8th Grade Graduation we put together a video keepsake for each student. It is something they can look back on for years to come. In order to make it nice, each family needs to submit photos of their child/children that cover each grade that they attended STB. It would be appreciated if you could include as many group photos as possible. Something about every child will be included.

Please try to limit your photos to "School" activities. We would like to try to limit it to photos that represent the children while participating in a school activity. When you do submit your photos, please include the following on each one:

Student Name
Year/Grade

All photos will be returned when we have completed the video. Please submit all photos to Sue Conroy, c/o Geno or Paul, Room 208 no later than Friday, February 24. If you have any questions, I can be reached at (412)215-8184 or suecon1@hotmail.com. Thank you for your cooperation.
