

HOLIDAY LUNCHEON

December 10, 2011

Back By Popular Demand!

For over 30 years, St. Bonaventure School hosted a holiday luncheon as a major fundraising event. It was always a lovely Christmas celebration that raised a lot of money for the school. It also offered members of our parish community a venue to celebrate the holiday season. Two years ago, we had to discontinue the event. Since then, we continually received requests to bring the event back. After much consideration, we are pleased to announce that the Holiday Luncheon will make its 2011 debut on December 10! To ensure its success, we need everyone's help.

No matter how much or how little time you have to spare, there's an aspect of the event where you can be of service. We ask everyone to tap into their skill set to impact the event in some way. Some of the opportunities to help include:

- Donate baked goods for our bake sale
- Ask family and friends to bake an item or two
- Volunteer to help package bake sale items before the event
- Make a unique craft to sell at the craft fair
- Help secure vendors for the craft fair
- Provide a bottle of liquor for the basket of cheer
- Volunteer to help shop on line to find items to raffle
- Donate \$10 – 15 toward the creation of Chinese auction baskets
- Help assemble the individual Chinese auction baskets
- Help sell tickets in advance
- Do you have a relationship with a printing company or local business that can help print material or donate an item to raffle?
- Help decorate Newmeyer Hall for the event
- Do you know a great caterer that we should get a bid from?
- Sign up to help set-up the evening before the event
- Sign up to help clean up after the event
- Volunteer to become part of the planning committee
